STAT

from

Honorable Sam Nunn
Ranking Member
Committee on Armed Services
United States Senate
Washington, D.C. 20510

Dear Senator Nunn:

This is a voluntary report on Title VIII of S. 1271, "Intelligence Authorization Act for Fiscal Year 1986."

This amendment addresses a longstanding concern of this agency over the restrictions imposed by State and local law enforcement authorities on Federal investigative access to criminal history record information.

If enacted, S. 1271 would be a major step toward solving a serious access problem that hinders the national security investigative activities of the Department of Defense, Central Intelligence Agency, and Office of Personnel Management. We strongly support enactment of Title VIII.

The Office of Management and Budget advises that from the standpoint of the President's program there is no objection to the submission of this report.

Sincerely,

Constance Horner
Director
